Class Motto
Start at the Beginning

If we could start all over,
If we could start our lives anew
Our good ways would be many,
And our bad ones would be few.
We would work when it was time to work
And play when time to play,
Rise early every morning
To make brighter every day.
We would always live for others,
Putting ourselves last.
And when our journey was ended
We would be proud of the past.
But we cannot start life over
So what we all must do,
Is start at the beginning
To make our bad ways few.
